

“We know our children the best”

“To support professionals to make the right decisions”

“To give children the best start in life – all work together”

“We are building the foundations in our children’s lives”

Parents should have a voice and be involved in making decisions about their children **because...**

“To really get to know a child, instead of assuming”

“We represent our children’s voices”

“Decisions made can impact on their home life”

“To get the right support and help”

“We are raising the adults of the future”
